

**Vehicle Tax Exemption of Military Service Member  
and/or Spouse**

Active-duty service members and/or their spouses maintaining a legal domicile **outside of Virginia** who reside in Prince William County solely on military orders may qualify for exemption from the local vehicle personal property tax based on certain qualifying conditions provided by the Service Members Civil Relief Act (SCRA) and /or the Military Spouses Residency Relief Act (MSRRA).

Vehicles normally stored, parked, or garaged in Prince William County, including those located on Quantico Marine Corps Base must be registered with Prince William County.

Vehicles leased by a qualified military service member and/or spouse will receive a 100% state vehicle tax subsidy as a tax credit on the first \$20,000 of assessed value.

To apply for exemption, complete the **Application for Vehicle Tax Exemption of Military Service Member and/or Spouse** and submit along with the applicable documentation:

- Copy of pertinent LES for active-duty service member to determine legal residence/domicile (each year that is being requested)
- Proof of Marriage
- Copy of non-military spouse’s military ID
- Proof of spouse’s legal state of residence (i.e., copy of voter’s registration card, driver’s license, W-2, state tax return, or 763S form filed with Spouse’s employer)
- Copy of military orders authorizing dependent travel
- Copy of registration for all vehicles located in Virginia.
- If vehicle is leased a copy of lease is required.

**IMPORTANT: You will NOT qualify for exemption from the local vehicle tax if:**

- The active-duty member and or spouse claims Virginia as state of residence/domicile.
- The service member retires from the military or separates from active-duty status (DD-214 required).
- The vehicles are registered jointly with anyone other than a non-resident active-duty service member or qualifying spouse.
