

Street Outreach Encampment Survey

Scan this QR Code with your mobile device to complete the survey.

Encampments refer to “places not meant for human habitation” such as locations where persons are sleeping in vehicles, abandoned buildings, bus/train stations and airports, or anywhere outside.

Thank you for taking the time to complete the survey. It provides us with valuable information on persons experiencing unsheltered homelessness.

For questions or technical assistance please email the homeless services team at: homelessservices@pwcgov.org
